

Foam Insulation Seminar

How to Use Foam in Your Next Project

You are invited to participate in Lapolla and Evergreen Insulation's Foam Insulation Seminar, covering foam, codes and the newest building trends. This seminar provides excellent training for builders who want to stay a step ahead of the industry and learn how to use foam insulation in their building projects.

The seminar will cover:

- The benefits of spray foam insulation
- Current building code issues regarding spray foam
- Discussion on open vs. closed cell spray foam

A catered lunch will be provided.
