If you wish to have your logo on your sign please email it to jneel@gayandneel.com.

Support the NRVHBA

The New River Valley Home Builder's Association (NRVHBA) is an organization comprised of Builders and Associates doing business in the New River Valley. The Association was formed in 1976 to be the respected voice of the residential and commercial building industry. The Association brings Builders and Associates together to raise the bar of the building industry and provide an opportunity for fellowship while providing information on issues vital to the building industry.

The Association's goal is met by engaging members in Code Seminars, educational events with featured speakers on industry topics, awarding scholarships to students pursuing careers in the building industry, and charitable activities including the construction of a picnic shelter at Kiwanis Park with volunteer labor and supplies, financial support of the Montgomery County Emergency Assistance Program, and contributing to the Toys for Tots Campaign. The Association also promotes fellowship between members through regular non-business events including golf outings, a summer picnic, holiday dinners, and other events where members go from business associates to friends.

Please Contact John Neel at jneel@gayandneel.com or 540-381-6011 with questions.

Please make check payable to NRVHBA.

Mail check and form to 1260 Radford Street, Christiansburg, VA 24073.
